The Spruce Hill Resort/Spa campground:

4871 Cariboo Highway 97, 8 miles (13km) north of 100 Mile House (right side of highway if heading north). Turn off the highway at the Spruce Hill Resort and Spa sign and travel down the easy gravel road (not far) and watch for the horse camp sign and then you will turn left. Go slow or you will miss it! If travelling from the north (on Highway 97), watch for the Spruce Hill Resort and Spa sign after you have passed the 108 Mile Heritage site/108 Mile Lake. The Ranch is on your left.

You must reserve your campsite/paddock **as soon as possible after you have sent in your entry**. Reserve (via VISA/mastercard etc) by contacting Spruce Hill Resort via phone at: 1-800-668-2233 or 250-791-5225. The camping fee of \$25.00 per night **per rig (please note this is new)** includes a camp site, RUSTIC corral (first come, first served), access to water and use of the showers and indoor pool and whirlpool at the lodge. There are trees for highlining as well. The lodge has 2 restaurants-only a short walk from the campground. For general info on the resort, or to book a spa treatment pre/post ride, visit their website (<http://www.sprucehillresort.com/>). Please note: *no dogs allowed on trails. Dogs must be well behaved and contained at all times*-thank you. Due to the tinder dry forests, there will be *no smoking* on trails or in the open area of camp. There will likely be a ban on campfires as well.
