Market Page News – November 16, 2016

The Market page for selling horses, tack, vehicles and other related endurance stuff has been removed from this website. To give users more control over what is posted as well as give the web manager a break(!), you can post horses and other items on our Facebook group page at <https://www.facebook.com/groups/EndRidersAssocBC>

2016 AGM Scheduled – September 30, 2016

Details of the full schedule has been emailed to everyone, so mark your calendar for the 2016 Endurance Riders Association Annual General Meeting to be held Saturday November 19, 2016 in Abbotsford at the Quality Inn, 36035 North Parallel Road, starting at 10 am.

We have a special guest speaker, Heidi Telstad who will be speaking about her adventure in the Mongolian Derby, a multi-day event that she tied for a win! Amazing, you won't want to miss Heidi's photos and stories. Heidi will share her 'extreme endurance story' on Saturday afternoon at 4 pm, and everyone is welcome. A buffet dinner is scheduled on Saturday as well, with Year End Awards and FUN social evening afterwards. 2016 AGM Schedule

Membership is required to vote at the AGM, but non-members are welcome to attend, learn more about our club, and enjoy the banquet.

Rockface Qualifier! – May 3, 2016

Rockface 25-Mile-Upgraded -to-30 Qualifier² was held Saturday near Kelowna on another brilliant spring day. Sixteen riders building FEI qualifications and/or conditioning for the season ahead were joined by 3 local Fun Riders who are developing a taste for the discipline! Super vets Dr. Jim Bryant Sr, and Dr Gail Jewell returned as well, closely monitoring horse parameters, appearance, and attitude at this early season ride – a huge thank you to them for their support and expertise! And those volunteers – can't do it without you!

Murray added a bit to the trail marking for April 9 – especially that last turn – and Bianca again put on a great lunch at the vet check with her travelling barbecue, and a Chinese food spread for dinner. Yum!

High Vet Score was earned by a first time rider, Kelly Coughlin, on Wyatt Laing's Jazz. Congrats to all of you!

The next FEI event for our riders to consider is Titanium Run in Fort St John – 3 days of riding May 21, 22, 23.

The next ERABC sponsored event is for vets only – Dr. Jim Bryant will be leading an endurance clinic this coming weekend for all our vets who can make it, once again at Rockface (thanks Murray & Bianca).
